Local Testimonial

	<p>I contacted Senitor with a requirement for a PHP Developer in Northampton and within 2 weeks the role was filled with an enthusiastic and experienced developer that they introduced. I was very happy with the service provided by Senitor and although at the time I was using a number of agencies I will now look to minimise this in future as I trust that Senitor Associates have the skills and facilities to find what I am looking for.</p> <p>Jay Sachania, Creative Director, Kinetic Creative Limited</p>
