Local Testimonial

Senitor have been assisting us with recruiting 2 junior IT professionals. In a difficult market for employers where there is a shortage of staff, They have been patient and thorough in finding candidates who have fitted our requirements well. As a result, we have been able to fill our 2 positions quickly and effectively providing both the resource we need and the career development pathways that the candidates were after. We would recommend Senitor in particular as a great company to work with.
