Local Testimonial

	<p>Having first worked with Senitor in 2007 and having recently recruited another excellent addition to the team, I would certainly recommend their services to anyone looking to hire quality candidates in a timely fashion. Within a week of discussing the role, we had selected and offered to an excellent candidate. They had a good understanding of what I was looking for and handled the whole recruitment process with ease.</p> <p>Peter Clegg, Director, Alcium Software Ltd</p>
