Local Testimonial

	<p>With a notable shortage of Software Developers in the labour market, I had anticipated struggling to find someone great to join the team. Roisin quickly sent me the CV for a perfect candidate, someone who not only had the technical skills we needed but also fit well with our company values.</p> <p>I would not hesitate to use Senitor again for our IT recruitment needs and to recommend Roisin in particular, as she was so pleasant to work with.</p> <p>Laura Hood, HR Advisor, Arena Group</p>
