**Local Testimonial**

	<p>Jack was professional, helpful and patient the whole way through. Even when we initially approached him with a sketchy proposal, we were able to refine this over a few emails. Jack's recommendations were spot-on and he respected our wishes. Senitor is now one of our go-to's. We really appreciate not being bombarded with calls. Jack's timely email replies worked a treat in our small, quiet office.</p> <p><b>Claudia Reyes, Human Resources , MPJ Design</b></p>
