Local Testimonial

	<p>Over the past 8 years Senitor Associates have helped us with the recruitment of Technical positions within Trimble UK businesses. They have been successful in helping us to explore the market and secure the perfect fit for Trimble UK. The consultants who have delivered the successful placements over the years are Harry Griffiths, Charlie Law, Simon Lewis and Jack Breen. These individuals from Senitor Associates are knowledgeable about the market and do a thoughtful and thorough job of gathering information about the requirement before they begin the search. We're very happy with Senitor Associates assisting us with our technical recruitment and look forward to continuing our relationship for many years to come.</p>
